TO SURVEY ROAD BED

Mattapoisett Selectmen have asked Arthur Thompson, engineer, to prepare meets and bounds on the railroad bed heading from Neck Road to Brandt Island Road in order to determine ownership. Looking into the future, this might lead to the possibility of a connecting road from Brandt Island to the Neck. Mr. Thompson has been working on the area which contains the town dump to determine the boundaries of town owned land so that the information will be available when 195 enters the same area.

MISS WAREHAM SCHOLARSHIP PAGEANT

The Miss America Pageant Winners have an alumni, and so does the unique organization, Miss Wareham Alumni Association, recently formed. Why is it unique? Because it is the only local alumni association in existence to the best of their knowledge. What is their purpose? To help improve, encourage, and support future Miss Warehams. Who are the members? Miss Warehams, 1961, Bonnie Lee (Smith) Rondelli; 1962, Florence (Lake) Drew; 1963, Deborah J. Macy; 1964, Marlene Houdelette; and honorary member until she completes her reign when she will become a full-fledge member, Miss Wareham 1965, Maureen Fitzsimmons.

During the Pageant season this year they will be appearing at all Pageant events and will be selling candy and tickets to the Miss Wareham Ball to raise funds for a gift for the new Miss Wareham and to help finance other projects in connection with the organization. They will be hostesses at the Miss Wareham Ball and will be performing between scenes at the Miss Wareham Pageant, May 7.

Too frequently, when a girl ends her reign many wonder what has become of her, so here is what the Past Miss Warehams have been doing.

Connie Lee (Smith) Rondelli is the daughter of Mr. and Mrs. Ausley Smith, Pinedale off Elm, Wareham. She graduated in 1961 from Wareham High School. In November of the same year

she was named one of the national finalists for the title of Queen of the National Motor Boat Show contest held in New York City. In January, 1962, she went to New York to compete with the three other finalists where she met Hugh Downs and other famous people who were acting as judges. In 1962 she was a winner of the regional Singer Stylemaker sewing contest.

Wedding bells rang for Bonnie in November of 1962 when she married Edward Rondelli of Middleboro who is the head meat-cutter and assistant meat manager of Stop & Shop in Dennisport. She and her husband now live in Hyannisport in a new home they built in 1963. They have a son Scotti who was born in 1964.

Bonnie, an active young woman in her community has many hobbies, one which interests her most is sewing. She makes most of her own clothes and also some of her husband's and son's. She also takes pleasure in designing some of the things she makes. Other hobbies are dancing, bowling, swimming and gardening. She's always looking for new recipes to try.

Florence (Lake) Drew, daughter of Mr. and Mrs. Elmer C. Lake of 175 Cranberry Highway, Wareham, is a 1962 graduate of Wareham High School. Florence is married to Theodore Drew. They reside at 11 Third Avenue, Wewaeantic Shores in Wareham with their son, Theodore, Jr., who is three.

Florence is a very active member of the Wareham Methodist Church and is a Past Worthy Advisor of the Rainbow Girls Wareham Assembly #56. Along with her many household duties, Florence also assists at the Kool Kone Ice Cream Stand in Wareham which is a family business. Last summer she also ran a miniature golf course. Florence is also a talented dressmaker and enjoys swimming and dancing. She has a great interest in plays and is an avid theater goer.

Deborah J. Macy is the daughter of Mr. and Mrs. William B. Macy of 466 Front Street, Marion. Besides herself she has an older brother Bill who is 20 and a sister Anne, 23.

During her reign as Miss Wareham, Debbie was a senior at Old Rochester Regional High School where she graduated in 1964. A girl of many talents and endless energy, she made 45 appearances as Miss Wareham. She was also a member of the glee club and school band. One of her crowning theatrical achievements while she was in high school was the playing of Gladys in the school's second musical production, "Pajama Game". With all this activity one might wonder how she found time to study, but she must have, because she is a member of the National Honor Society and was commended by the National Merit Scholarship Foundation. In 1964 she entered Boston University as a freshman where she was house manager of her dorm.

In 1965 Debbie won the title of Miss Sweeperette and was head cheerleader for the New Bedford Sweepers' Football team. She is presently employed at the Sippican Corporation in Marion. Still very active in the theater, she recently gave an unforgettable performance as Liesl in the Your Theater, Inc. production of "The Sound of Music".

Her hobbies include ice skating, swimming, singing and dancing. Her immediate ambitions are to apprentice in summer stock and to return to college, perhaps to study in the field of sociology.

Marlene Houdelette is the daughter of Mr. and Mrs. Louis E. Houdelette of 32 Grove Street, Point Independence, Onset. She is a 1965 graduate of Wareham High School. After she received the title of Miss Wareham she went on to represent Wareham in

DOLLARS FOR SCHOLARS

The Citizens' Scholarship Foundation of America, more commonly known as Dollars for Scholars, has grown from one chapter in Fall River, Massachusetts, in 1960 to 182 chapters in 34 states in June, 1965. In June, 1965 these chapters awarded nearly 3,000 scholarships valued at an estimated \$1,100,000.

In the Old Rochester Regional School District of Marion-Mattapoisett-Rochester the Awards Committee awarded scholarships amounting to \$4,000 last year. The money was raised by clubs and organizations in the three towns, a Dollars for Scholars door-to-door campaign, and a dance sponsored by the C.S.F.A. The funds supplied for these scholarships are the result of a community effort--the willingness of the communities to help their members.

Dollars for Scholars students can be found in every type of higher educational institution ranging from business and nursing schools to junior colleges, four-year liberal arts colleges, and major universities. The requisites for the scholarship aid loans are financial need, leadership qualities and scholarship. The recipients are asked to return the amount when they are financially able to do so in order that it may be used again to help other students.

The plans for raising the funds this year again include a door-to-door canvas by the

NAMED CHAIRMAN FOR CANCER DRIVE

Mrs. George E. Church of Mattapoisett Road, Rochester, will serve as 1966 Cancer Crusade Chairman in Rochester, it was announced by James F. Cleary of Boston, state chairman of the April Cancer Crusade in Massachusetts. Mrs. Church is Public Health Nurse for the Town of Acushnet. She is currently affiliated with Rochester Woman's Club, Rochester Grange First Congregational Church and St. Luke's Nursing School Alumnae Association.

The Cancer Crusade, conducted annually throughout the nation during April - officially designated by Congress as Cancer Control Month - seeks support of cancer research, public and professional education and service to needy cancer patients.

The campaign will be highlighted on April 26 when local volunteers canvass their neighborhoods, provide information about cancer's seven danger signals, and give householders an opportunity to contribute to the Cancer Society's goal of research, education and service.

"The American Cancer Society has neither a national or state dollar goal," Cleary said in announcing the local chairman's appointment.

As Miss Wareham, she appeared at the Dartmouth Parade, the Portugese Feast Parade, the Ashley Ford Opening, the Bourne Parade and various other Pageants. She also went to Atlantic City to see the Miss America Pageant.

Very active in high school activities, she was cheerleader, vice-president of the Code Club, and on the Student Council. Last fall she was chosen to be one of the Sweeperettes and she plans to cheer for the organization again this coming year.

Marlene is presently enrolled at the Wilfred Beauty Academy of Hairdressing in Boston, and is residing at the Franklin Square House.

Now that you know more about these girls, we want to tell you more about what they plan to do. Their main purpose has already been stated but they also have other projects in mind which are not directly related to the Pageant. As the purpose of the Pageants is "To Serve the Community" the girls are planning to as a group and or individually visit hospitals throughout the area and to also lend a hand with charity drives.
